

Your Guide to the Valo Motion Service

Effortless, worry-free operation

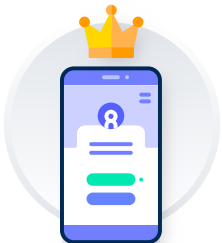

24/7 Customer Care – Holistic Care Around the Clock

- 24/7 availability via phone, chat, email or online support
- Continuous software maintenance and health checks for worry-free operations
- Remote technical support, best practices, training, and warranty handling are included

Lifetime Games & Updates – Extend Longevity & Reduce Lifetime Cost

- New games, levels and features released regularly
- Maximize attraction lifespan and commercial impact with new features and tools
- Meticulous game design to effortlessly respond to latest consumer demands

ValoLeague & ValoApp – Easily Offer Events and Competitions

- Merge fun, sports and video creation with a mobile solution to boost repeat visits and attract new generations of customers
- Use as a walk-in attraction or grow your event business by creating competitions and tailored group entertainment packages
- Create sharable play experiences to engage with customers beyond their visit

Operations Hub – Optimize Your Business

- Automate your operation with our automatic scheduling to save time and overhead costs
- Boost your data-driven business management with our usage statistics
- Increase your visibility with built-in selfie videos, ads, and other robust branding and marketing tools

Every Valo Motion product requires an active service plan to function.
